This miracle includes:

\$40,000 – Emergency Energy, Prescription and Travel Assistant for the Mid American poor and elderly along with...

\$30,000 – for heaters, blankets, weatherization kits plus holiday food and gifts...

\$25,000 – is now needed for the starving and homeless children that New Life Evangelistic Center is providing for in India, Haiti and Africa.

As a result of the major battle to preserve New Life's right to shelter the homeless children, women, veterans, the elderly and others in need at 1411 Locust, **\$80,000** in legal and professional expenses must be paid.

In addition, operational expenses totaling **\$125,000** are now overdue for New Life Evangelistic Center's Utilities, Security, Credit Card Bills, Trash, Printing and Postage Costs.

Plumbing, Electrical and Elevator repairs are now needed at the 1411 Locust Building, along with roofing and flooring repairs at the Springfield Veterans Coming Home Center, in addition to structural repairs at the New Bloomfield Renewable Energy and Here's Help Media Training Center. Christmas is a time of Caring and Sharing

God cares and shares: "Do not be afraid, for behold I bring you good tidings of great joy which will be to all people. For there is born this day in the City of David a Savior, who is Christ the Lord" (Luke 2:10).

Christmas is the story of God's personal involvement in the lives of the broken and the downtrodden.

God cares and shares and so do His people.

Your financial support to New Life Evangelistic Center is urgently needed at this time in order that New Life may continue to provide shelter at 1411 Locust for the homeless children. This emergency shelter is the last major walk in shelter, where children and their mothers and fathers can get help all night long.

Please pray for two commercial refrigerators for New Life Evangelistic Center. One is needed in the lobby at 1411 Locust to store the 800-1,000 sandwiches that are given away each day. In addition, another one is urgently needed to store produce, milk, meat and other cold food items not only in the kitchen but shared with the poor and elderly who need food.

Please Help... New Life feed the children

 My electric
 is cut off**

I am a mother of three small children. My electricity was cut off on Friday. I was unable to pay my entire bill because of other bills. It has been very

hard living without lights. I have been going to friends' houses to cook. It has been very discouraging, but I am asking the Lord to strengthen me and teach me to handle life's challenges.
